

Your Guide to Your Vote

Oakville votes

October 2022

Many services that you and your family use such as roads, recreation centres, parks, parking, schools, transit and public spaces are all managed by your local government and funded by your property tax dollars. Voting is one of the most important ways for you to shape what's happening in your neighbourhood and across Oakville. Follow these easy steps to make your voice heard this election.

Step 1 – Eligibility

You are eligible if you are:

- a Canadian citizen;
- at least 18 years old before the election;
- a resident of Oakville, or the owner or tenant of land, or the spouse of such owner or tenant.

If you own more than one property in Oakville, you can vote once based on your primary residence address.

Step 2 – Register to vote

Visit elections.oakville.ca to ensure your name is on the voters' list before you go to vote. Didn't find your name on our voter list? If you are eligible to vote, make an online request to be added to the list, or visit a voting location with ID showing name and address.

Step 3 – Receive Voter Notice by mail

This will be mailed out to those on the voters' list in September and will include a letter and voter notice with dates and location information.

If you don't receive your voter notice in September, complete an application to amend the voters' list online (identification is required) or visit a voting location with ID.

Step 4 – Pick a voting date and location

Vote early anywhere in Oakville or vote on October 24 at any location in your ward. Visit elections.oakville.ca for full list of locations and hours.

At the voting location, your ID will be checked for eligibility, before receiving your ballot. Make your choice by marking an X in each of the categories – Mayor, Regional Councillor, Town Councillor, Regional Chair and School Board Trustee.
